Hi, my name is [NAME] and I'm a constituent from _____.

[IF EPA]: I'm calling to express my serious opposition to the EPA's decision to repeal the Clean Power Plan. It is clear that carbon emissions have led to climate change and the increase of natural disasters devastating our country. Undoing policies that would help to reduce them is gravely irresponsible.

[IF CONGRESS]: I'm calling to express my concern about the EPA's decision to repeal the Clean Power Plan. It is clear that carbon emissions have led to climate change and the increase of natural disasters devastating our country. I strongly urge Senator Environmental Protection Agency, Scott Pruitt to support measures that uphold the strategies of the Clean Power Plan and oppose those that undermine it.

Thank you for your time and attention.
